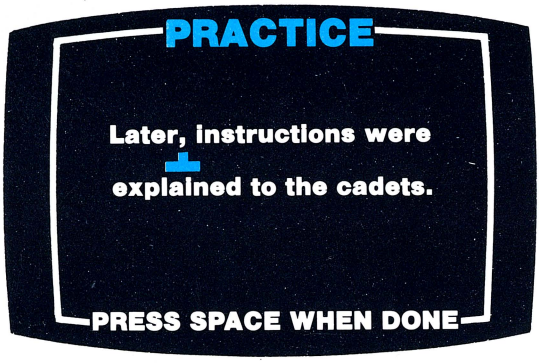
## READY, AIM, AND PUNCTUATE WITH THE AMAZING COMMA CANNON.

To discover how to "pause perfectly," use the arrow keys to move the Comma Cannon into position, zero in on where the comma should appear, and press the Comma Key. Magically, a comma pops up on the screen. Continue to aim and punctuate. The computer will tell you if you have correctly positioned your commas!



## AN ENTERTAINING AND INFORMATIVE LEARNING METHOD THAT LETS YOU...

1. **Take Instruction**
2. **Then Practice**
3. **Get Tested**
4. **Collect Your Reward**

Here's how the program works. View the rule, demonstrate your know-how with the Comma Cannon, score high on the Mastery Quiz, and win free playtime with an exciting arcade-like game when you complete the Review lesson.
